

## GRYPHON COLLEGE NIGHT

Sporting Indiana FC is proud to announce *“College Night”* for any high school player within the club. I have asked Shaun Mahoney, the boys’ soccer coach from Franklin College to come discuss playing at the next level.

Shaun will have a power point presentation on various topics from grades, skill assessment, how kids are recruited, and what he and the player can expect once the player is actually involved in the program.

College Night will occur on **Monday evening, April 29<sup>th</sup>, from 6-7:30** pm. Shaun’s presentation will take approximately an hour with some extra time for questions and answers.

The meeting will take place at the Buck Creek Township Fire Department.

The address is:

**BCFD Station #71  
6031 W Station Way  
Greenfield, IN 46140**

**Please RSVP with Matt Mayhew by April 24th** so I can give Shaun an estimate of how many will be in attendance. This invite is for players as well as their parents.
